Pickering-Uxbridge Community Climate Debate

Date and Time: Wednesday, May 25 7:00 pm - 9:00 pm

Address: St-Paul's-On-The-Hill Anglican Church- 882 Kingston Road

Climate Justice Durham is hosting a climate debate for the Pickering-Uxbridge riding ahead of the upcoming Ontario provincial election.

Learn where your candidates stand on all things climate!

The debate will be accessible via livestream on the Climate Justice YouTube channel and in-person. The link to the YouTube channel is in the website portion of this post.

Why should you attend?

“The release of the recent Intergovernmental Panel on Climate Change (IPCC) report tells us that it is almost inevitable that we will see more than a 1.5C increase in average global temperatures without swift and ambitious action. This puts us at a crucial moment in time, one which is being recognized by more and more voters. Youth, the largest voting bloc, are especially concerned. With these debates, we hope to create a platform that puts climate at the forefront and lets people know which candidates are committed to ensuring a just and livable future for all.”
